**Instructions to help you complete the CAFWAA Membership Application Form**

1. Ensure that the Membership Application Form is open in *Microsoft Word* Format.
2. In your form you will see a lot of fields shaded in grey. You can only insert text in these shaded fields. Some are check boxes.
3. Select /Highlight the first field you wish to check or insert text. Enter the text or numbers. The box will expand to accommodate your text but there are limits to the number of characters you can enter.
4. For example after checking some boxes, the first text field you will want is the name of the individual So double click on the shaded grey field then enter the name and click **Tab** to move on.

5. You can now move to the next shaded field and go through the same process.
6. Once you are happy that all the fields have been completed you should save this form with a different name so that you will still have the original to go back to.
7. You should then print out the form for the necessary **signatures** and post it to CAFWAA at the address shown. Do not print out or send any pages not used.
8. While the form can be sent back as an attachment to email we need signatures and you may have to enclose a cheque.

Thankyou
